++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry and cloudy, with patchy drizzle for some overnight.

This Evening and Tonight:
Staying rather cloudy with a few clear spells this evening and overnight. As cloud thickens overnight, eastern and southern parts are likely to see some patchy light rain and drizzle in the early hours. Minimum temperature 10 deg C (50 deg F).

Tuesday:
Another cloudy start, though remaining dry through the day. Cloud will slowly break up to give sunny spells for most later. Generally feeling mild, but warm in the sunshine. Maximum temperature 19 deg C (66 deg F).

Outlook for Wednesday to Friday:
Remaining dry and settled, with variable cloud throughout this period allowing for sunny spells across the region. Feeling pleasant in the sunshine. Winds staying light.
